## out-of-the-box

# 1: pixie perfection

EnvyHair's advanced stylability allows you to wear BILLIE's flowing front layers down or off your face.

# 2: day to height

The totally believable hairline of our Ear-to-Ear Lace Front lets you take BILLIE to new heights (using a blow-dryer and **ENVY Beauty Balm**).

**STEP 1:** Secure wig with 2" T-pins.

**STEP 2:** MIST base and ends with water and evenly distribute **ENVY Beauty Balm Sculpting Crème** through damp hair.

**STEP 3:** Set Blow Dryer to MEDIUM HEAT. Using a Wig Brush, dry short hair into place and long hair with a straight-up motion for maximum volume.

**STEP 4:** SEPARATE long hair into sections and secure them with large hairpins to create vertical texture.

**STEP 5:** Mist **ENVY Freeze Frame Hairspray** over entire style and allow it to air dry and cool completely.

**STEP 6:** Remove hair pins to reveal texture.

**STEP 7:** Set the style with a final mist of **ENVY Freeze Frame Hairspray**.

# 3: making waves

A 1" curling iron is all you need to give BILLIE's heat-friendly fibers a flirty, tousled twist.

**STEP 1:** With curling iron set NO HIGHER THAN **285°F (140° C)** divide longer top hair into 1" x 1" sections and curl UP AND AWAY FROM PART for maximum volume.

**STEP 2:** Continue Step 1 throughout the longer side, creating the same curl pattern.

**STEP 3:** Continue downward, curling shorter hair in smaller sections.

**STEP 4:** Allow hair to cool completely, then evenly distribute a small amount of **ENVY Beauty Balm Sculpting Crème** through hair.

**STEP 5:** Lift and separate curls using a wide-tooth comb.

**STEP 6:** For a tousled look, leave the ends out when finishing style.
