(or watch the video at
envywigs.com)

1: out-of-the-box sleek chic

VERONICA looks great right out-of-the-box—and delivers a hint of the super sleek “70s Cher” look that feels so modern now.

2: curl power

EnvyHair’s advanced stylability makes curling your way to this look super easy. The secret is to let curls cool completely before removing clips to lock in the fiber memory.

STEP 1: Secure wig with 2” T-pins.

STEP 2: Set 1 ½” curling iron TO **285°F (140° C)** and CURL 1 ½” WIDE VERTICAL SECTIONS away from face beginning near the cheekbones.

STEP 3: CLIP SECTIONS AT THE ROUND OF THE CURL until completely cooled to ensure maximum shape memory.

STEP 4: REPEAT STEPS 2 AND 3 until entire wig curled.

STEP 5: Begin ALTERNATING DIRECTION away AND towards face from ear-to-ear back, clipping each section to cool.

STEP 6: Remove clips once style has COOLED COMPLETELY and use **ENVY’s Wide-tooth Comb** to loosen curl and add texture.

3: lush waves

Hot rollers are a girl’s (AND EnvyHair’s) best friend—letting you customize VERONICA’s hand-tied strands any way you choose.

STEP 1: Wrap hair wand-style around 3 LARGE HOT ROLLERS placed horizontally with hair directed back.

STEP 2: Place 2 LARGE HOT ROLLERS vertically along the front hairline on each side with hair directed back.

STEP 3: Repeat for a total of 4 VERTICALLY PLACED LARGE HOT ROLLERS on each side.

STEP 4: BRICK LAY large hot rollers on the remainder of the style.

STEP 5: Allow to cool completely using a generous amount of **ENVY’s Freeze Frame Hairspray** to hold curl.

STEP 6: Remove rollers and use **ENVY’s Wide-tooth Comb** to create desired style.
